CAMPING: Coordination and Motor Planning Intervention Group

Dear Parent/Carer

We wish to inform you of our school holiday service called **CAMPING**.

Parents have suggested to us that they would like additional sessions to focus on key sensory processing skills needed for coordination and self-regulation.

Our **CAMPING** service addresses this need.

This service is a 60 minute session with our therapists that will include:

1. Listening and attention within a group setting.
2. Deep pressure input for calming.
3. Ropes and trapeze for upper body strength.
4. Trampolines for children that seek movement input.

To see what the group looks like, check it out at

<http://www.youtube.com/watch?v=3eMmT0EdvTA&feature=youtu.be>

If you have a current care plan it can be bulk billed under Mental Health Care Plans & Helping Children with Autism care plans or through your FaHCSIA funding.

For more information and to organise a time to take your child '**CAMPING**', please contact Nikki on 7226 2360.

Regards

Darryl Kerr
Director of Clinical Services
Occupational Therapist
BAppSc(OT) MHlthSc(OT)

Held at: YMCA Walkerville: Smith St, Walkerville

Held at: Blackwood Community Recreation Centre - 1 Northcote Road, Eden Hills
